game] Ending 00:00:00 The man sat in his chair. He was too old. He didn't want to go any further. He felt that it was time to give up. But these kids came along and made him want to carry on. He woke up in this little house. He remembered that he was supposed to go to his beloved daughter's place, but he had forgotten. He felt the pain of loss as he remembered the moment he was sent away from her forever. He felt like a tough guy. He wouldn't cry. He would not shed a tear. His son was still a child. He would be a man one day, but he was only a child. He was not even emotionally mature enough to be a child. He played the piano as he wrote a letter to his daughter. He was just a few years away from

SRPG Studio Celestial Realm Background Features Key:

- The player is placed in a world where a vast number of achievement points' exist in the sky.
- The player must defeat all of these points to achieve a big total number of points.
- The music is a personalized music, which is the same every time, but the music is influenced by your player destiny.

For the game, we have made two samples with a total of 128 achievements. It is possible to reuse them for your game.

All the achievements can be earned when the player takes a flight to each location in the game and attacks each target.

The player can stop his attacks with a **click** on the target.

The player's score is acquired each time this action is performed.

We played the **International Superstars League** (Six-Minute Game) in these two samples. We are sure that the **GTA Simulation** (11-minute game) is a more intense exercise, but the different achievements, are also very fun.
