• An Online Game That Doesn't Have an In-Game Friends System The online play provides the opportunity for players to connect and journey together, similar to offline play. Players that join may be friends, enemies, or allies, depending on the situation. In this very simple and free online game, the strength of players comes from their companionship, and you can easily connect with players from all over the world.

FEATURES

- A Vast World Full of Excitement A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment.
- Create your Own Character In addition to customizing the appearance of your character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic.
- An Epic Drama Born from a Myth A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between.
- Unique Online Play that Loosely Connects You to Others In addition to multiplayer, where you can directly connect with other players and travel together, the game supports a unique asynchronous online element that allows you to feel the presence of others.
- A Unique Game! This game does not feature a traditional turn-based battle system. In order to adapt to specific users' preferences, it is not necessary to travel over a fixed period of time, so you can choose the part you want to play at any time during the day. The scenario is designed to give a dynamic feel to the game by making you aware of the speed and direction of events, as well as your own actions.
- Three Different Game Modes! In addition to the main scenario, it also features a training mode and a new way to travel called a Crossroad. You will be allowed to change the mode you want to play at any time.
- A Unique Class System! You can customize your characters using a simple selection method called a class, which is chosen via a skill system. There are a variety of classes that you can select from, and the skills are based on different battle actions. You can equip up to 10 classes, and it is also possible to switch

What is Fantasy Flight Games (FFG)?

FFG is a company that guides game developers in producing popular card and board games. FFG has a huge number of popular game titles such as "X-wing: £s Edge of the Empire," "Best of the Year 2011 Simulationist Board Games," "X-wing Miniatures," "HeroClix," and more. One of FFG's specialties is fantasy-based games. To facilitate the development of new fantasy-based games, FFG explores the fantasy genre from various perspectives and develops and publishes many fantasy-based titles.

What is Elden Ring?

FFG is creating a fantasy-based action RPG for web browsers in collaboration with Gaist Crusher. To create the game, FFG is taking the fantasy setting from the Elden Ring series.

Would you want to play an action RPG where you can create your own character?

Since the game places much emphasis on matching the combat power of your character with your opponent, and it showcases the strength of the character that you create, I am very much looking forward to it.

Could you tell us the fantasy genre that you are aiming for?

It is mainly for adults. However, there may be a few twists like some YS games.
