Meredith Meredith was one of the first series to focus on the emotional impact of parenthood: “There was, at the beginning, a lot of focus on Meredith and all the young parents struggling to figure it out. If they could get past it, why couldn’t we?” said Ewing. Added the casting department: “It was more about the idea of a family and how difficult it can be for people of all races.” Notably, this was the first series set in LA. The city was notoriously segregated at the time, and the cast says it was “an important part of her story”. Original showrunner Kim Moses claimed she had never heard the word “homophobe” before she came to the US to direct and do the show. Her daughter informed her it was a thing, she added. And maybe that’s because it feels like it’s always been a thing. But that “thing” has an elephant in its backyard: This episode focused on a small, tense incident around one of the many pre-Black Lives Matter protests that broke out in North Carolina. The scene captured the odd tension that Black Lives Matter had created in Los Angeles at the time. Here’s how four US Black Lives Matter activists described the scene. So there you go. 10 of the biggest issues in the black community in 2013. We’d love to know your thoughts in the comments below. data=_models 6d1f23a050
