45), 12205 (9MY) HUD: Improve Housing Counseling Program. assistance to specialists from restrictions on non-professional activities (see . appendix ). At the same time, it is necessary to take into account the peculiarities of professional activity in different countries. For example, in the US, Germany, UK, Australia, physicians and mid-level healthcare workers do not require a US work permit, while surgeons, nurses, and other health professionals require a work permit in each country in which they operate. In Canada, work requires a permit only in the area where the specialist works.
