one of the world's
most powerful and
notorious crime families,
destroy these ruthless
individuals who have
cheated death for
decades. Experience the
cutting-edge action of the
award-winning Wanted
franchise, and relive all-

new adventures with two of the original game's grizzled heroes. Bringing the intensity of a no-holds-barred war to the streets, and the wide-open world of the Apache wilderness, the franchise masterfully blends gameplay with the biggest, boldest and most immersive open world ever. In this title you will lead the hit TV

show character, Brick (Will Smith) on the ultimate mission of his life to destroy the most vicious criminal kingpin in history, the mysterious Mr. Wick (Jada Pinkett-Smith). By one of the world's most powerful and notorious crime families, destroy these ruthless individuals who have cheated death for decades. Experience the

cutting-edge action of the award-winning Wanted franchise, and relive all-new adventures with two of the original gameâ€™s grizzled heroes. Bringing the intensity of a no-holds-barred war to the streets, and the wide-open world of the Apache wilderness, the franchise masterfully blends gameplay with the biggest, boldest and

most immersive open world ever. The world of the highly anticipated 2009 action thriller opens up more than ever with this expansion featuring the best of the original game as well as the new expansions storyline. The four playable characters can now fight together with the new Dual Avenger gameplay mode, and more, providing a

never before seen level
of agility and combat
control. And with over 80
missions, new weapons,
double the number of
armors and body parts,
this is the best Wanted
game yet! Wanted:
