
Xfer Serum Serum FX V.128b5 WiN

Xfer Serum & Serum FX v.128b5 WIN. The dream synth didn't seem to exist: a wave synth with really good sound quality, visual and creative. Against the background of these two synthesizers, Serum looks much more modest. And although his sound is pretty good, but his capabilities are completely limited. Future Sound Serum | www.future-sounds.com Future Sound Serum | www.future-sounds.com. Future Sounds Serum is one of the few synthesizers that can boast of very high quality and high quality sound. This is quite logical, because it was developed by musicians with many years of experience with synthesizers.
